The Commission would like to clarify that following this decision the draft working paper will be prepared exclusively by the secretariat of the Delimitation Commission. Any news item appearing in the media that the Delimitation work for Tamil Nadu is already over is incorrect and without any basis. After preparation of the draft working paper it will be circulated to the State Election Commissioner and the Associate Members from Tamil Nadu for their views. Thereafter Public Hearings will also be conducted at a few places in the State to elicit the views of the public.
